## | Objective

Currently, I am a graduate of Humber Polytechnic and motivated to be part of your team so that, I can get a chance to utilize my working excellence while contributing to the growth and expansion of the institution. I am confident to pursue the job since I am.

- Able to adapt quickly to new working environments, eager to learn and inspired by the job seniors.
- Flexible to work with no supervision to meet deadlines and willing to take risks when ever needed.
- Mentally able to take care of a task and physically able to handle manual duties

## | Academic Experience

### Humber Polytechnic

Jan 2024 – Present

Media communications

Participated in various academic and social activities at college including the coil project with students from the business academy of Aarhus,Denmark.

## | Community Involvement

### Assistant director

Living hope stories, social media gospel sharing.  
LHBC 66 Tenth's St., Etobicoke.

[Living hope stories facebook](#)

[Living hope stories tiktok](#)

### Audio-Visual Technician

Sound,live stream and projection services.  
LHBC 66 Tenth's St., Etobicoke

Among the key assets I developed during my time in Canada is the ability to communicate effectively with individuals from diverse cultural backgrounds. I take great pride in this skill, as it fosters both personal and professional growth. I would be honored to contribute to your team, looking forward to the opportunity to collaborate effectively and learn from the crew.

Thanks.
